Subject: Dimock Daily Report - February 15, 2012 - This is all that I have received today as of 4:00 PM. I included Helen's report from yesterday.

Dimock Daily Report

Date: February 15, 2012

FIELD ACTIVITY

Community Outreach (Helen Duteau)

- The Community Involvement Coordinator (CIC) continues to support residential sampling efforts.

COMMUNICATIONS (Helen Duteau)

- On February 13, 2012, an AP reporter took photos of EPA's sampling activities.
-
- The revised draft Communications Strategy for residential data has been circulated for review.
-
-

LEGAL ISSUES (Humae Zia)

- The Office of Regional Counsel (Humane Zia) obtained Cabot's list of attendees and confirmed their agenda for the February 22, 2012 meeting at the EPA Region 3 offices. The attendees will be: Kevin Cunningham (General Counsel - Cabot), Steve Lindeman (Cabot), Joe Smelkio (Cabot), Buddy Wylie (Cabot), James Pinta (URS), Amy Barrette (Attorney - Fulbright), Jason Hutt (Attorney - Bracewell), and Lowell Rothschild (Attorney - Bracewell). Tentative but still possible attendees include Phil Stalnaker (Cabot) and Mike Weller (Attorney - Bracewell).
-
- The agenda items from Cabot's email dated February 2, 2012 are:
 -
 - I. Introductions
 - II. Technical Briefing / Cabot Overview of Dimock Sampling Data
 - III. Update on Status of Response to EPA's Request for Information
 - The Office of Regional Counsel informed counsel that EPA will be sending a letter asking Cabot to identify the information that has not been provided yet as well as their timeframe for providing it.
 - IV. EPA Update on Well Sampling and Next Steps
 - They do not expect a discussion about EPA sampling results but would like to know our expected timing for providing results.
